Protecting the pitch

Ever pitched an outline or concept to a film or tv production company, only to receive a reply that it is similar to an idea they are developing ... or a reply to say it's not for them, but six months later an idea very similar to your's hits the tv screens by that same said production outfit?

How does one go about protecting an outline, an idea, a concept in readiness for a pitch to a broadcaster, producer or financier. Come and find out!
